“Homage to Keith Floyd”

~~~~~

*In the 80's we were still basking in the richness of calorific decadence. Keith embraced this with his book “Floyd on France” ... years later, I still use these cracking recipes (but I'll skip the fancy French names!)*

Served with Parmesan Crisps*

*Alsacion Duck Pie:  
A cold Pie with Pork, Duck breast, Chicken Livers & Bacon  
Lardons, in a Wine & Brandy Marinade, with a crumbly  
Shortcrust base ... Pure decadence!!  
Served with warm, new Potatoes & tossed mixed Leaves*

*Brioche St. Denys:  
A Buttery Sweet Cake with the crunch of Praline  
I like to serve it warm with a Crème Anglaise
